20 I have lived in the 3rd district of San Dimas for 10 years. While raising my family here we have enjoyed 20
38 the peaceful quality of our small-town charms. Today, I see our city growing over the years as exciting 18

72 maintain the charm and safe environment we all know and love here in our community. 15

84 As a board member of the San Dimas Youth Softball Association and Member of our Chamber of 12
101 Commerce, I will continue to talk to our sheriff's department and residents within the 3rd district on how 17
118 to keep our communities safe. My focus will always be to collaborate with all officials on Safety, 17
